## *Special Event Menu*

Thank you for considering The Cottage Rose Tea Room for your special occasion, where you'll be treated like royalty!

The dining room will hold 46 comfortably, but can add up to  
Four more chairs if needed.

We have about 15 different color chair sashes that we can coordinate with your parties color or theme, at no extra charge.

The final head count for your party is due 48 hours prior to your event to give us time to prepare for your special occasion. Should your actual count be less than your final head count we will kindly box up those extra meals for you to take home.

There is a 2 hour time limit with time slots being 11:00 – 1:00, (the dining room is still open to the public), and 3:00 – 5:00 (closed to the public).

Extra time to decorate if you desire is not included in the 2 hour time limit. On Saturdays if you think you'll need extra time for your party there is an additional fee in 30 minute increments, please talk to us ahead of time if you think you'll need more time so we can block out those tables and not take reservations for those tables ahead of time.

If you do desire to do extra decorating we ask please no candles,  
No glitter, no confetti and no paints.
